

## Allocation of Council Buildings for Community Purposes (2001)

Minute Number: 194/01

---

That when residential properties on public reserves and Council-owned land, generating rental income, become vacant, their future use for community purposes be considered on a case by case basis.

That all other Council-owned properties, not providing significant rental income, be considered for community use on a case by case basis.

That it is not the intention of Council to seek to break existing tenancies to fulfil community requests for accommodation.
