

## Leisure Policy (1998)

Minute Number: 719/98

---

Council needs to consider the outcomes it is seeking through leisure services, and the values and philosophies at the basis of the programmes it supports. This policy aims to clarify these matters by identifying objectives and outcomes as a framework for purchase of leisure services.

### Scope of Policy

This policy relates directly to the following significant activities of Council:

- Provision of Pools
- Pools Programmes
- Provision of Recreation Facilities
- Recreation Programmes
- Provisin of Passive Reserves
- Provision of Outdoor Sports Facilities
- Community Halls
